**Information bulletin for candidates who applied for online Dental common counseling conducted by Director of Medical Education (Secretary Selection Committee, Kilpauk) for Admission to BDS Degree Course offered in Chettinad Dental College and Research Institute, Affiliated to The Tamil Nadu Dr. MGR Medical Univeristy, Guindy, Chennai and Dental Council of India, New Delhi.**

### **I. About the Institution: Chettinad Dental College and Research Institute (CDCRI):**

Chettinad Dental College and Research Institute (CDCRI) is a recognized Dental institution affiliated to The Tamil Nadu Dr. MGR Medical University.

The Institution offers BDS course having well qualified and dedicated faculty members, CDCRI also boasts the state of the art infrastructural facilities, renders dental care service of international standard and promotes various research and development activities leading to large number of publications and patents.

The Institution is a NAAC accredited institution with 'A' Grade.

## II. About the College: Chettinad Dental College and Research Institute (CDCRI):

Chettinad Dental College and Research Institute (CDCRI) is an affiliated college of The Tamil Nadu Dr. MGR Medical University. It is located in a rural area and caters to the health needs of the surrounding villages both in diagnostics and preventive and curative services. Situated in a sprawling campus away from the hustle and bustle of the city in sylvan surroundings. The institute offers a conducive environment for learning. Student centered state-of-the-art facilities, sophisticated infrastructure, libraries with the latest dental journals, and futuristic learning methodology systems benefit the learning process of the students.

BDS degree programmes offered by Chettinad Dental College and Research Institute is regulated by the respective statutory councils and the methodology of teaching is reviewed periodically by the Board of Studies / is updated to keep abreast with the latest advancements.

Comfortable and convenient bus transport are provided by the dental college to the students residing in and around the city of Chennai for easy mobility to the institute and back. Pollution free battery driven vehicles and bicycles are operated for transport within the campus.

State-of-the-art equipments and cutting edge technology are being provided for the treatment of patients visiting the teaching hospital. The infrastructure goes hand in hand with academic progress and student needs. An eco-friendly campus along with optimal use of information technology is ideally suited for academic pursuits and greatly augments teaching learning activities.

Regular Continuing education programmes and faculty development programs contribute immensely to knowledge update and improved teaching skills.

## III. Infrastructure:

The campus is pollution free with green zones, battery operated vehicles and bi-cycles, in-house rain water harvesting and wi-fi enabled zones. The infrastructure and facilities of the Institution compare with the best in a scenic campus and an atmosphere congenial to education and healthcare. Power needs are met through energy generated from wind mills situated in southern Tamil Nadu.

Our research infrastructure, potential and output have shown phenomenal growth with students & faculty showing an intense commitment for quality research. Institution promotes research and development. The Institution has received grants from various national funding agencies like ICMR etc.

Entire campus is monitored with Closed-Circuit Television (CCTV).

**Lecture Halls:** Gallery type AC Lecture halls are fully equipped with modern gadgets and enabled with multimedia.

**Laboratories:** All Basic Sciences Departments have large, well-equipped labs and Demo Rooms. Departmental Laboratories are available in each of the Basic Sciences Department and Allied Health Sciences Departments. State-of-the-Art Central Research Laboratory is available for Research and for the use of Research Scholars. An Animal house to assist the research is in existence.

Our clinical laboratories are NABL accredited.

Central Diagnostic services are available in the hospital to complement Research Scholars and Patient care services.

**Hostel:** Comfortable well furnished hostel accommodation separate for boys and girls is available. Wi-Fi, Laundromat and Ironing facilities are provided in Boys' and Girls' Hostels and the hostels have a Central Vacuum System for efficient cleaning of the rooms and corridors.

**Auditorium:** Sigapi Achi Convention Centre is acoustically designed and consists of a 1200 gallery-type seating capacity with central air-conditioning. **Sigapi Achi Convention Centre bags three prestigious award for the best interior and architecture** – "IID Anchor Award'11", "AIT - Global Award for the very best interior and architecture 2012" and "Gyproc Award 2012". A mini auditorium, a gallery -type Conference Hall and Seminar Hall to seat 375 and a Banquet Hall are also available to organize meetings of any size.

**Student Amenities & Transport:** A Food Court with multi cuisine restaurants, Café, Gym, Swimming pool, Beauty Parlour, Stores, Bank, ATMs, etc are available within the campus.. Comfortable and convenient bus transport are provided for the students residing in and around the city of Chennai for easy mobility to the institute and back.

**Campus Security:** Since the campus is located in the rural area, security is of prime importance. I.T. based security initiatives have been taken to ensure continuous monitoring. The campus is covered with CCTV cameras monitored round the clock to alert on any security incident. The college areas are secured by turnstile gates and physically restrict non-campus personnel having free access to the student areas.

**Attendance Monitoring:** Biometric and RFID based comprehensive Attendance Management System with finger print recognition has been installed in all Lecture Halls, Demo Halls, Laboratories, Libraries and individual departments to ensure secure attendance monitoring. Attendance Management system has in-built facility of sending automatic SMS alerts to parents and guardians of the students.

**Internet connectivity:** All students and Faculty Members are provided with secured Internet connectivity through Unified Thread Management Device in order to facilitate access to information that is useful for students in achieving their academic goals and for Faculty and Staff who assist the students in fulfilling their goals. The college chooses to not provide resources that it believes to be contrary to the educational and spiritual mission of the College based on category of information accessed. The focus is on effective use of the internet access provided and details of access made by individual students is available to aid in improving the services.

**Wifi enabled campus:** The students and faculty members are provided with wireless internet access so as to facilitate knowledge transfer collaboratively and improve the learning experience in campus. Reliability, scalability, security were the major considerations to stay advanced and provide latest services. The Wifi enabled devices can connect into the campus LAN and access Intranet and Internet facilities. The wireless access is spread across the campus to enable the students to have internet access in Lecture Halls, Library and Hostels.

**Library:** Well stocked and well maintained library facility with virtual library and CD ROM, e-library, Medlar facilities makes self learning pleasurable and instills interest in research and motivates towards high order of academic excellence. The library database is regularly updated with the increasing number of courses and students both as books and electronic forms. The library facilities are open to the students and faculty members of CDCRI and its location near the central lecture hall facility enables the maximum utilization. The library is computerized using inhouse developed Library Management System.
